

Dear Headteacher,

*We would like our primary school to arrange to book **Cric!Crac!**, an intervention developed by Brighton-based MOSAIC Black & Mixed Parentage Family Group which creates **cultural curriculum** in the classroom. By taking this practically - based approach to explore issues of difference, inclusion and social justice we believe that all the children will benefit and that the Cric!Crac! intervention will improve their social skills and **reduce instances of bullying**.*

We also feel that Cric!Crac! plays an important role in helping the children to build a positive sense of their own identities and also to respect the identities of other people. As such stereotypes are dismantled and empathy is encouraged.

If you would like to book Cric!Crac! or find out more please contact Dr. Yaa Asare, MOSAIC Development Worker on 01273 234017 or yaa@mosaicbrighton.org.uk

Best wishes,
